London, England, SW9  
6AH, United Kingdom)

£30 for general admission  
+£45 for living wall  
materials and plants (Total  
£75)

**Create your  
own vertical  
garden, with  
a connection  
to the Amazon  
Rainforest.**

**PIPOCA**

*Presented by living wall designer Nina Simoes' and photographer Marcella Haddad.*

**In this workshop you will learn:**

- The benefits of vertical gardens, develop an understanding of what they are and the different systems used.
- Selection of plants and substrate
- Design and planting a vertical garden
- How to maintain your vertical garden
- Option to create your own vertical garden
- Slide presentation of the indigenous village in the Amazon Rainforest

*No experience or green thumbs needed!*

*For more info [www.meristemdesign.co.uk/verticalgardenworkshop](http://www.meristemdesign.co.uk/verticalgardenworkshop)*

**- 30% of the funds raised will go towards the indigenous village in the Amazon Rainforest -**
