

## Join us at School Streets 2025!

### Wednesday 12th February, Lambeth Town Hall

We are delighted to be a key contributor for the third annual event of School Streets, including co-hosting an **exclusive rain garden tour** the day before the conference to showcase [Lambeth's borough wide SuDS](#) and the transformative Kennington Oval Scheme.

Find out more tour details and book your place

## How do you get started with School Streets?

Join Habib and the panel as they share top tips on consultation, engagement, design and implementation of school streets and the importance of creating healthy neighbourhoods

[View the programme and register for the conference](#)

## What are the benefits of School Streets?

Safer spaces

Biodiversity boost

Engaging and fun

Take a look at the stunning transformation of Kennington Oval
